This column tallies all of the Actual Offenses that occurred in your jurisdiction during the month. To get the total number of Actual Offenses for this month, subtract the total in Column 3 from the total in Column 2.

For example: 3 rapes were *reported* in your jurisdiction for the month, but 1 turned out to be unfounded. Your agency had 2 *Actual* Rapes for the month. ($3 - 1 = 2$) The example from the previous page would then look like this:

The next two columns are titled “5 – TOTAL OFFENSES CLEARED BY ARREST OR EXCEPTIONAL MEANS (INCLUDES COLUMN 6)”

and

– “6 – NUMBER OF CLEARANCES INVOLVING ONLY PERSONS UNDER 18.”

These columns tally how many of the actual offenses were cleared by an arrest or by an exceptional method. (i.e., the offender dies, another agency will not extradite the offender, etc.) Column 5 counts how many of the offenses were cleared, while Column 6 counts only those offenses cleared in which the offender was 17 years old or younger. The total in Column 6 can never be greater than the total in Column 5.

For example: Both of the Actual Rapes that occurred during the month were cleared by arresting the offender. The offender in the Rape by Force was 33 years old. The offender in the Attempted Rape was 16 years old. The example from the previous page would then look like this:

1		2	3	4	5	6

The B1 and B2 Forms account for the same information, but in two different ways.
The B1 Form tallies the TYPE of property that was stolen.
The B2 Form tallies the CRIME THAT WAS COMMITTED
when the property was stolen.

Both forms must account for the same amount of property. i.e., if you are accounting for \$10,000 worth of stolen property on the B1 Form, you must account for \$10,000 worth of stolen property on the B2 Form.

The "B1 Form" tallies what TYPE of property was stolen and recovered, as well as its value.

In the first column (1), take the value of the property that was stolen in your jurisdiction in the month, and break it down into its appropriate categories. (Currency, Motor Vehicles, Firearms, etc.)

In the second column (2), do the same with the value of the property stolen in your jurisdiction that has been recovered. (Count property recovered this month, even if it was stolen in a previous month.)

**** In the "Recovered" column, count only the recovered property that was originally stolen from your jurisdiction. If another agency recovers property for you, count it in this column. If you recover property for another agency, DO NOT count it in this column.**

For instance, \$10,000 worth of property was stolen in your jurisdiction during the month.

\$1,000 was cash, \$5,000 was stolen vehicles, \$900 was Office Equipment, \$100 was Consumable Items, and \$3,000 was Miscellaneous Items. The first column of your B1 form would look like this:

Type of Property		Value of Property Stolen (1)
(A) Currency, Notes, etc.	01	\$ 1,000
(B) Jewelry and Precious Metals	02	
(C) Clothing and Furs	03	
(D) Locally Stolen Motor Vehicles	04	5,000
(E) Office Equipment (Typewriter, Adding Machine, etc.) .	05	900
(F) Television, Radios, Stereo, etc.	06	
(G) Firearms	07	
(H) Household Items (Furniture, Washer, etc.)	08	
(I) Consumable Items (Liquor, Food, Cigarettes, Gas, etc.)	09	100
(J) Livestock	10	
(K) Miscellaneous	11	3,000
Totals	00	\$ 10,000

***Round all amounts to the nearest whole dollar. For instance: if the value of stolen Consumable Items for the month was \$34.86, round it up to \$35. If the value of stolen Firearms was \$549.39, round it down to \$549.

For instance, \$21,000 worth of property that was stolen in your jurisdiction has been recovered; either by your agency or by another agency. This may be property stolen in a different month.

\$200 was cash, \$50 was jewelry, \$18,000 was motor vehicles, \$800 was Televisions, \$50 was Consumable Items, and \$1,900 was Miscellaneous Items. Your B1 form would now look like this:

Type of Property	Value of Property Stolen in Your Jurisdiction	
	Stolen (1)	Recovered (2)
(A) Currency, Notes, etc.	01 \$ 1,000	\$ 200
(B) Jewelry and Precious Metals	02	50
(C) Clothing and Furs	03	
(D) Locally Stolen Motor Vehicles	04 5,000	18,000
(E) Office Equipment (Typewriter, Adding Machine, etc.) .	05 900	
(F) Television, Radios, Stereo, etc.	06	800
(G) Firearms	07	
(H) Household Items (Furniture, Washer, etc.)	08	
(I) Consumable Items (Liquor, Food, Cigarettes, Gas, etc.)	09 100	50
(J) Livestock	10	
(K) Miscellaneous	11 3,000	1,900
Totals	00 \$ 10,000	\$ 21,000

The values in the "Stolen" and "Recovered" columns do not have to equal each other.

Take the value of the property that was stolen in your jurisdiction in the month, and break it down by the crime committed when the property was stolen. (i.e., Rape, Robbery, Burglary, etc.)

The "Number of Actual Offenses" column counts the number of Actual Offenses you listed on your "A Form" in Column 4. The "Number of Actual Offenses" listed on your "A Form" **MUST** match the "Number of Actual Offenses" listed on the B2 Form.

For each offense (Murder, Rape, Robbery, etc.) arrestees are broken down by sex, age, race, and ethnicity.

CLASSIFICATION OF OFFENSES		SEX	AGE																
			18	19	20	21	22	23	24	25-29	30-34	35-39	40-44	45-49	50-54	55-59	60-64	65+	Total
Murder and Nonnegligent Manslaughter	01 a	M																	
		F																	
Manslaughter by Negligence	01 b	M																	
		F																	
Forcible Rape	02	M								1									1
		F																	

In the example mentioned on Page 6, a Forcible Rape was cleared by the arrest of a 33 year old male. On your "D Form" you would put a "1" under the offense of "Forcible Rape," male category, 30-34 year old age category.

Since he was the only adult arrested for Forcible Rape this month, a "1" is placed in the "Total" Column for Male Arrestees for Forcible Rape.

Arrests tallied on these forms can count arrests for *offenses* that occurred in previous months....just so long as the actual *arrest* occurred this month.

CLASSIFICATION OF OFFENSES		SEX	AGE																
			18	19	20	21	22	23	24	25-29	30-34	35-39	40-44	45-49	50-54	55-59	60-64	65+	Total
Murder and Nonnegligent Manslaughter	01 a	M		1	1														2
		F	1																1
Manslaughter by Negligence	01 b	M																	
		F																	
Forcible Rape	02	M								1									1

**For instance, several months ago there was a murder in your jurisdiction. The investigation took several months, but three individuals were arrested for that murder this month.

One arrestee was an 18 year old female.

The other two arrestees were a 19 year old male, and a 20 year old male.

The Total Column reflects that two males, and one female, were arrested for Murder.

In tallying race and ethnicity, it is vital to remember two things about the difference between RACE and ETHNICITY.

1. All individuals are of a certain race AND a certain ethnicity. The FBI has four racial categories: White, Black, American Indian or Alaskan Native, and Asian or Pacific Islander. The FBI also two ethnic categories: Hispanic and Non-Hispanic. *Everyone* belongs to one racial category **and** one ethnic category.
2. HISPANIC IS NOT A RACE. Most Hispanic individuals are in the “White” racial category. Thus, an Hispanic arrestee would almost always be considered “White-Hispanic.” (Although some individuals from the Caribbean nations would be “Black-Hispanic.”)

In our murder example, one of the male arrestees was white, and one was black.

CLASSIFICATION OF OFFENSES		SEX	AGE									RACE				
			18	19	20	21	22	23	24	25-29	30-34	35-39	40-44	45-49	50-54	55+
Murder and Nonnegligent Manslaughter	01 a	M		1	1								2	1	1	
		F	1										1	1		
Manslaughter by Negligence	01 b	M														
		F														
Forcible Rape	02	M									1		1	1		
		F														

The arrestee for the Forcible Rape was also white.

The female murder arrestee was white.

All four arrestees have now been accounted for in the "Race" category. (Three white, one black.)

In our murder example, both male arrestees and the female arrestee were non-hispanic.

CLASSIFICATION OF OFFENSES	SEX	AGE										RACE					ETHNIC ORIGIN	
		18	19	20	21	22	23	24	25-29	30-34	35+	Total	White	Black	Hispanic or Latino	Other Race	Hispanic	Non-Hispanic
Murder and Nonnegligent Manslaughter	M		1	1								2	1	1				2
	F	1										1	1					1
Murder by Negligence	M																	
	F																	
Rape	M									1		1	1				1	
	F																	

The Forcible Rape arrestee was Hispanic.

(Remember that the Hispanic arrestee was also accounted for in the Race Category!)

CLASSIFICATION OF OFFENSES	SEX	AGE

	White	Black	Am. Ind. Or Al. N. Ind.	Hispanic or Pac. Islander	Hispanic	Non-Hispanic
2	1	1				2
1	1					1
1	1				1	

All 4 of the arrestees have been accounted for in the "Total" Category

All 4 have been accounted for in the "Race" Category

All 4 have been accounted for in the "Ethnicity" Category

When you have accounted for the age, sex, race and ethnicity of the arrestees for each offense, fill out the “Grand Total” on the bottom line of the form. To obtain the Grand Total, count the number of arrestees in each column, and put the total in the “Grand Total” cell.

CLASSIFICATION OF OFFENSES	SEX	AGE																	RACE				ETHNIC ORIGIN	
		18	19	20	21	22	23	24	25-29	30-34	35-39	40-44	45-49	50-54	55-59	60-64	65+	Total	White	Black	Asian, Pac. Is. or All Others	Hispanic or Latino	Not Hispanic or Latino	
	M

GRAND TOTAL		18	23	28	26	17	10	8	19	11	7	6	2	0	1	1	0	177	139	7	4	27	26	151

This is an example of what the “Grand Total” might look like for an agency that had 177 adult arrestees for the month.

All 177 have been accounted for in the “Race” Category

All 177 have been accounted for in the “Ethnicity” Category

The “E Form” is filled out in the same manner...the only difference is the age categories of the arrestees.

When all the forms have been filled out (A, B1, B2, D, E, [and LEOKA if necessary]), send them to BCI in one of the postage-paid envelopes. Make sure to keep a copy of the forms at your agency.

There are two other forms that need to be filled out on occasion...the Arson Form (when you have an Arson) and the Supplementary Homicide Report (when you have a Homicide.) For further details on these forms consult the green *Uniform Crime Reporting* manual, or contact BCI at 801-965-4454.
